GRAND LODGE OF INDIA

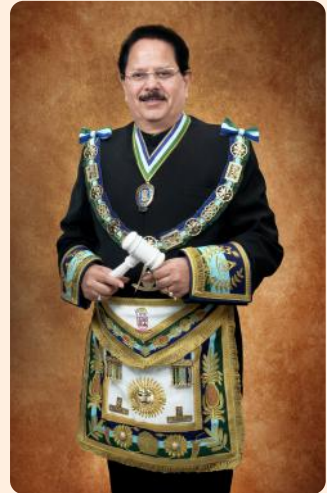

M.W. Bro. RAJEEV RAMKRISHNA KHANDELWAL, OSM
M.W. the Grand Master of the Grand Lodge of India

Message

My Dear Brethren,

All of you are well aware of the passion the brethren of Southern India exhibited last year to hold the Grand Festival in the Southern Region. They felt that it was their due privilege to host the Grand Festival by Rotation. This year the Grand Board unanimously decided to hold the Grand Festival in the Southern Region and the Regional Grand Master was spontaneous in putting the name of Trichy as the host city. Again, the Grand Board unanimously and very happily agreed to his request. The legacy and past glorious record of the working of the Brethren of Trichy in hosting the Regional Meet came in handy to take this decision spontaneously. We at the Grand Lodge level are very confident that the Brethren of Trichy will organise a memorable Grand Festival, which will be long remembered by all who attend the same.

Brethren, Trichy as we all are aware is a major city in the Indian state of Tamil Nadu and the administrative headquarters of Tiruchirappalli District. Trichy sits almost at the geographic centre of the state of Tamil Nadu. Tiruchirappalli City is now home to a million people. Tiruchirappalli's recorded history begins in the 3rd century BC, when it was under the rule of the Cholas. The city has also been ruled by the Mutharaiyars, Pandyas, Pallavas, Vijayanagar Empire, Nayak Dynasty, the Carnatic state and the British, thus typifying the geographical and commercial importance of the city. Once in Trichy, you all must visit the most prominent historical monuments which include the Rockfort, the Ranganathaswamy temple at Srirangam and the Jambukeswarar temple at Thiruvanaikaval. For the ardent and religious travellers, Rameshwaram and Madurai are also within travelling distance. I advice you to take full advantage of your visit to Trichy to explore the full magnificence of the Art, Craft and Architecture of the state of Tamil Nadu and of the Southern India.

Brethren, by the time we meet at Trichy, the current dispensation will have completed One year of hectic activities at the helm of affairs of the Grand Lodge. This team never hesitated to take some strong and tough decisions, many a times at the cost of putting our personal prestige at stake. We decided to lead by example and put in some of the most effective and long lasting Administrative and Financial discipline and control in the Grand Lodge. The Watch Word at the Grand Lodge was Glasnost and Perestroika (Openness and Restructuring). There is now a complete transparency in all that we do, and the Grand Board is fully seized of all our actions. We have given absolute freedom to our esteemed members of the Board to express themselves without the concept of any fear or favour, and have encouraged active discussions on every matter affecting the working of the Order. I must place on record the tremendous work put in by the Grand Lodge Staff, under the most watchful and keen eye of our most efficient Grand Secretary. As promised nothing is kept pending at the Grand Lodge level and active advice is sought from the President Boards, Registrars and Past Grand Masters and many course of actions have been suitably modified. Special mention must also be made of the Grand Treasurer, who has worked tirelessly in clearing many old pending matters, bringing all Financial matters up to date and submitting bi-monthly accounts to all Board members. Thank you, Vishal, Anup Kumar and Sanjiv Bhai for all your support. We expect that in the next stage the Four Regions will follow suit and finally it will be the turn of the Individual Lodges to put in strict administrative and financial controls. I must congratulate the Southern Region for having put in so many administrative controls in the Region and displaying the will to change with times for the betterment of all. All other Regions must follow suit. I will address you all at length at the Grand Festival and will present our report for the year as well as the challenges that we face for the future.

The organising team of the Grand Festival is working day and night under the able stewardship of the Regional Grand Master, the Organising Committee Chairman VW Bro. S. Valliyappan and RW Bro. C. Sitaram - Organising Secretary and the band of dedicated working team. They are leaving no stone unturned to make this another memorable event in the South and I am sure that each one of you attending the Grand Festival will go back happier.

I exhort all of you to attend the Grand Festival in large numbers and go back richer in experience, knowledge and friendship. Best Wishes.

Rajeev Khandelwal

Message

Fraternal Greetings to all our loving Brethren in India.

It gives me immense pleasure to welcome all of you to the Grand Festival 2019 of the Grand Lodge of India to be held in Trichy, Tamil Nadu, on 30th November and 1st December 2019. The Grand Festival is coming to the Southern Region after a long gap of seven years, and therefore our Brethren are more than anxious to make up for lost time and give you the best. While Trichy has played host for the Half Yearly Meets of the Southern Region in 1994 and 2006, this is the first time that the Grand Festival is being held in Trichy. We have a very enthusiastic bunch of Brethren drawn from the Lodges in and around Trichy forming the Organising Committee headed by its ever-smiling Chairman, V W Bro S Valliyappan, who are keen to make this Grand Festival a conference to remember for all time to come.

As you may be aware, Trichy is an ancient city dating back to the third century and steeped in history, a fine blend of tradition and modernity built around the Rock Fort and situated on the banks of the river Cauvery. Come to Trichy with your families and explore for yourself.

I need not here dilate on the importance of the annual meet of our Grand Lodge. While on the one hand it signifies the yearly change of guard, more importantly it gives us a platform, an opportunity to meet old friends and make new ones.

I exhort you my Brethren to attend in large numbers and make your Grand Festival a grand success. The Brethren of Trichy are leaving no stone unturned to make it the grandest festival ever, and I am sure you will not disappoint them.

Looking forward to meeting all of you in Trichy.

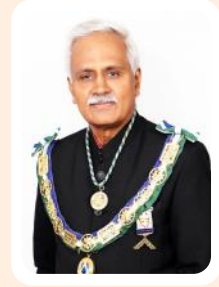

With fraternal regards,

Abraham Markos, RGM SI.

Grand Festival

Annual
Investiture
Meeting 2019

Dear Brethren,

Our sincere thanks to M.W. Bro. Rajeev Ramkrishna Khandelwal, OSM, M.W. the Grand Master of the Grand Lodge of India, for the confidence placed on Regional Grand Lodge of Southern India, and on the Brethren of Trichy for hosting the GRAND FESTIVAL 2019. This is the first time that a Grand Festival is conducted outside Chennai in Tamil Nadu, but with the dedication and hospitality for which this part of the country is known for, we invite you with your family and assure you one of the most enjoyable visits to Trichy.

Apart from making our best arrangements for enjoyable Masonic activities and a very comfortable stay, we have listed places of interest to all religions. In and around Trichy there are both well known and lesser known places and these should be of interest to you and your family. With Thanjavur, Madurai, Rameswaram, Velankanni, and Nagore being a bit distant from Trichy, we request you to let us know well in advance as also plan an additional day so that you can have a comfortable trip. Ladies and children deserve an especial treatment and we shall ensure the same. A temperate weather of a high of 31° and low of 24° Celsius should also add to your comfort.

We solicit your support to the event by your participation and request early registration with your choice of accommodation.

Looking forward to receiving you with your family.

V.W. Bro. S. Valliyappan
Chairman – Organising Committee

R.W. Bro. C. Sitaram
